Project Cleaning

Gatling Gun Grouter

Low-cost, high-speed rotary nozzle delivers the power of a truck mount on a portable Kaivac No-Touch Cleaning system

Gatling Gun Pistol

Spray gun featuring a specialized nozzle for a powerful rotary spray pattern to blast and loosen embedded soils.

Gatling Gun Lance

Spray gun featuring an extended lance and specialized nozzle for a powerful rotary spray pattern. Perfect for blasting tough soils at point-blank range.

Carpet Extractor

Transform your system into a CRI (Carpet and Rug Institute) Silver-rated carpet extractor. Includes dual spray nozzles for deep industrial carpet cleaning and water removal.

Upholstery Tool

Spot clean irregular upholstered surfaces such as furniture and carpets with this quick-connecting accessory.

DryVac™

DryVac makes No-Touch Cleaning even more convenient and cost effective, eliminating the need to purchase or transport an additional vacuum cleaner.
